23
                CHAIRPERSON ADLER: Thank you so much.
24
     Thad, take it away.
25
                MR. McTIGUE: Next item on the agenda is
0003
     an update on TRS operations. I'll send it over to
1
 2
     Ellen DeLeo.
 3
                MS. DELEO: TRS will be sending out
 4
    notices to 395 members this week that are inactive
 5
     and not vested, who must take a minimum
    distribution from their OPP balances for this tax
 6
 7
     year. The notices include the necessary form for
 8
     the members to make their RNB elections, as well as
 9
     withdrawal and rollover election forms, that will
10
     enable these members to close their membership
11
     accounts.
12
                TRS began revising members for the
13
     ratified TSA contract who retired between March 6,
14
     2010 and June 30, 2015.
15
                Approximately 800 members are expected
16
     to receive their revised benefits as of the October
17
     2016 payroll. TRS expects to begin processing the
     retirement revisions for the ratified UFT contract
18
19
     for members retired after June 30, 2014, next week.
20
                Processing will occur over the next few
21
     months, with the first group within the
22
     approximately 5,700 members seeing their revised
23
     benefits starting on the November 2016 payroll.
24
                MR. McTIGUE: Thank you. The next item
25
     is the report from the Actuary.
0004
 1
                MS. CHAN: There is one fiscal note I
 2
    want to bring your attention to, that was issued
     since June 10 of this year until yesterday, through
 3
 4
     yesterday. It is another picture bill of a member
 5
     who is currently Tier 4, but she worked part-time
 6
     earlier in her career and felt she needed service
 7
     to be qualified as Tier 1. That was the fiscal
 8
     note in regard to that.
9
                Also of note is that we issued two
10
    reports from my office. One is the OPEB report,
11
     other post employment benefits; not including
12
     pensions, so mainly health care, retiree health
13
     care. That was issued September 23.
14
                Then the second report is a revised GASB
```

```
15
     67/68 report. It was revised due to subsequent
16
     data we received from NYCERS following issuance of
17
     the first report, which was a week earlier. That
18
     report is dated October 11, 2016.
19
                CHAIRPERSON ADLER: Questions for Ms.
20
     Chan?
21
                MR. ORLANDO: I have a question.
22
     is the OPEB liability as of September 23, 2016?
23
                MS. CHAN: For the city as a whole,
24
     because it's not divided into systems, the unfunded
25
     is about $70 billion.
0005
1
                MS. VICKERS: OPEB liability?
 2
                CHAIRPERSON ADLER: Unfunded OPEB
                It's all unfunded, essentially; pay as
 3
     liability.
 4
     you go?
 5
                MS. CHAN: We categorize as partially
 6
     funded.
 7
                CHAIRPERSON ADLER: Any other questions?
 8
                MR. McTIGUE: The next item on the
9
     agenda is the executive director's report.
10
     It has been suggested that the next regular meeting
11
     of the Teachers Retirement Board be held on the
     third Thursday of the month, November 17, 2016.
12
13
     Please mark your calendars accordingly.
14
            The second item on the EDR report is the
15
     authorization to extend the Board's participation
16
     in the common investment meeting.
17
                MR. KAZANSKY: Skip to the resolves,
18
    please.
19
                MR. McTIGUE:
                              "Resolved, the Teachers'
20
     Retirement Board extends for a one month period its
21
     participation in the common investment meeting,
22
     CIM, as described and subject to the conditions of
23
     the October 15, 2015 CIM authorizing resolution.
24
                "And be it further agreed between the
25
     Board, the Comptroller's Office, and other
0006
1
     retirement systems.
 2
                "And be it further resolved nothing in
 3
     the resolution shall abrogate any rights or waive

 5
     Trustees under applicable law."
 6
                CHAIRPERSON ADLER: Is there a motion to

9
                CHAIRPERSON ADLER:
                                    Is there a second?
10
                MS. PENNY: Second.
                CHAIRPERSON ADLER: Any discussion?
11
12
                (No response.)
13
                All in favor of the motion say "Aye."
14
                (A chorus of "ayes.")
15
                Opposed?
16
                Abstentions?
```

```
17
                (No response.)
18
                Motion carries.

                MR. McTIGUE: That completes, Mr.
20
     Chairman, the executive director's report.
